

APPENDIX L

BYLAWS OF THE GLENN R. CONRAD PRIZE COMMITTEE

The Glenn R. Conrad Prize will be awarded biannually beginning in 2010 to the best article on Louisiana history from any source published during the previous two years.

The Glenn R. Conrad prize committee will be comprised of three bi-annual presidential appointees. The Secretary-Treasurer will convene the committee and mail copies of submissions to the committee members within two weeks of the advertised deadline for submissions. The committee members will correspond and/or meet and report on the winner of the prize to the board at the annual meeting each March.

Each December, the Secretary-Treasurer will place the prize nomination announcement below on H-Net and in the Fall edition of the LHA Newsletter. The editor of *Louisiana History* will also include a reminder to authors of articles in the journal that they must submit their papers if they wish to be considered in accordance with the guidelines below. The Secretary-Treasurer will also survey the "America History and Life" database and nominate any worthy articles found there and deliver them to the committee.

In the event of a dearth of quality submissions, the committee may elect not to award the prize in any given year.
